Disc golf, leatherworking,  
painting, running, reading, and  
creating.

## 👤 PROFILE

Excited software engineering student looking to expand my knowledge and grow as a programmer by applying my knowledge in the real world. Experienced with front-end user-level programming. Completed aeronautical college during the Covid 19 pandemic. Former US Army Sargent with 6 years of leading soldiers and repairing helicopters.

## 📁 EMPLOYMENT HISTORY

### UH-60M Blackhawk Helicopter Repairer at US Army, Fort Riley, KS

June 2013 — June 2019

- Managed the maintenance of 10 helicopters, ensuring they remain ready to fly.
- Logged over 700 hours as a flying crew member.
- Direct supervisor of 5 soldiers.
- Properly disassembled and reassembled complex parts.
- Remained punctual, reliable, and adaptable.
- Worked well independently and also with others.
- Performed scheduled maintenance, unscheduled maintenance, and made repairs or replacements as necessary.

### Smoothie Server at Central Market Juice Company, Lancaster, PA

August 2021 — Present

- Prepared specialty fruit smoothies in a fast-paced environment.
- Complied with all restaurant rules, policies, and regulations.
- Continually aimed to be reliable and punctual.

## 🎓 EDUCATION

### Airframe and Powertrain License, Spartan college of Aeronautics and Technology, Tulsa, Ok

March 2018 — July 2020

This was a hybrid program that is part online, allowing me to work full time, and in the 2019 fall semester begin on the ground with hands-on training. This license will empower me to have the skills and knowledge to fix and maintain all types of aircraft.

### Aviation Maintenance Associates , Spartan college of Aeronautics and Technology, Broken Arrow

April 2020 — July 2020

### High School Diploma, Conestoga Valley High School, Lancaster, PA

2009 — 2013

### Software Engineering, Thaddeus Stevens College of Technology, Lancaster

August 2021 — June 2023
